Copy 9 of 9
6 November 1961

RECIPIENT FOR: Acting Chief, DPD-30/P

SUBJECT: Maintenance of AS/APN-135 Rendezvous Beacon
for I.P.N. IDALIST Operations

1. The following program is proposed for the installation, test and maintenance of the AS/APN-135 rendezvous beacon:
 - a. The responsibility for the proper operation and maintenance of the beacon shall rest with the Comms Staff, DPD.
 - b. Due to the complexity of the unit, properly trained technical personnel will be required. The Comms Staff will be responsible for obtaining and training these personnel.
 - c. The Comms Staff will review the requirements for test equipment to support the program and initiate procurement requests to the Material Staff to furnish the necessary test equipment to each detachment using the I.P.N. equipped articles.
2. Upon your approval of the above, the Comms Staff will initiate the action to provide the maintenance capability for the AS/APN-135 beacon, which is lacking at present.
